

TUBI 3 – One-handed grease gun, LS screw-in cartridge

One-handed grease gun – **for LS screw-in cartridge**, with 450 mm hose and 4-jaw nozzle.

The cartridge is screwed tight into the gun so that you can work without mess. The spring at the base of the nozzle helps to increase the capacity. One-handed grip enables 40% faster lubrication. Unique design makes the lubrication easier. Does not need to be aired. Consistent high pressure until the tube is empty, even in severely cold conditions.
